

2019 OKIE811 Safety Days

Who We Are:

OKIE811 and key industry stakeholders would like to invite you to participate in the 2019 OKIE811 Safety Days. OKIE811 is coordinating a public safety awareness event that offers excavators, contractors and facility Owners/operators an opportunity to see and hear a profound experience emphasizing proper use of the 811-notification system, safe excavation practices, and response actions to take in the event of damages.

OKIE811 has coordinated these Safety Days to include:

- Large equipment demonstrations
- Industry related breakout sessions
- Lunch and giveaways
- Meeting and networking with utility, pipeline, oil & gas, first responders, municipalities, county and construction personnel across the region.

Safety Day Exhibitor & Sponsorship Benefits:

- Gaining access to participating pipeline operators, excavators, contractors and other attendees
- Directly supporting the damage prevention outreach efforts in Oklahoma
- Meeting and networking with other industry stakeholders in promoting safe excavation

Pipeline Operator Documentation Benefits:

- Everything above, plus baseline excavator and contractor Public Awareness Program documentation (for Pipeline Operators)
 - Invitation and attendee reporting
 - Sign-in sheets
 - Presentation documents/ handouts – all are message mapped with required messaging

Please complete the enclosed order form if your company is interested in exhibiting, sponsoring and securing baseline documentation for any or all of these regional Safety Day programs. You will be billed for the committed amount.
